

Learn about health reform and Vermont's Exchange, Vermont Health Connect

Vermont Health Connect is a new health insurance marketplace, launching October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. You're invited to a small business forum with David Reynolds and Devon Green from the Agency of Administration's Director Health Care Reform office and the Randolph Area Chamber of Commerce to learn about upcoming health reforms.

The focus of the forum is what Vermont Health Connect means for small businesses in Vermont—who can get coverage through Vermont Health Connect, the choices that small business owners will have related to employee's coverage, tax credits available now and more.

Please email us at vthealthconnect@state.vt.us if you plan to attend.
